Northern Virginia Chamber Officers Condemn Violence in Washington, D.C.

Tysons, VA – It's not enough to merely condemn what occurred today: The violent attack on the United States Capitol – the heartbeat of American democracy, was an attack on every American who cherishes our form of government and way of life.

The Northern Virginia Chamber of Commerce supports democracy and peace which power business and build community, not violence and anarchy. The images emerging from Capitol Hill this afternoon are both disturbing and horrifying. We need our republic to stand.

We, the Chamber's Officers, unanimously condemn the violence in Washington, D.C. today.

About the Northern Virginia Chamber of Commerce

Originally founded in 1925 as a Fairfax county-focused business advocacy organization, the Northern Virginia Chamber has grown into region's largest Chamber of Commerce, drawing members and impacting policy across the Greater Washington D.C. Metropolitan Region. Today, 700 members strong, representing close to 500,000 employees, the diversity of our community is one of our greatest assets, offering opportunities to learn from one another and form personal connections that help guide lasting business growth.

NOVA's goal is to be considered not only a business partner but also an agent of change for our members. We do this through our work in government advocacy, education through events and programs, networking, promotion of member businesses, and recognition through awards. We are proud to have worked together over these many years to build a meaningful association that enriches our community and look forward to continuing that good work.
